

Si aad u kaalmayso xuquuqda aadanaha iyo samaqabka gabdhaha iyo dumarka, FARREP waxay ku siin kartaa macluumaadka gudniinka dumarka ee Australia gudaheeda. Masalan, shaqaaluhu waxay kaala hadli karaan sida gudniinku wax u yeello caafimaadka dumarka iyo sababta aanay sharci u ahayn in gudniinka lagu sameeyo Australia.

FARREP waxaa loogu talagalay dumarka la qabo, kuwa aan la qabin, kuwa la furay ama laga dhintay da'day doonaan ha ahaadeene. Dumarka gudan iyo kuwa aan gudnaynba waxaana lagu soo dhowaynayaa inay isticmaalaan adeegyda FARREP.

To support the human rights and wellbeing of girls and women, FARREP can give you information about female circumcision in Australia. For example, a worker could talk with you about how circumcision affects women's health and why it is not legal to perform the surgery in Australia.

FARREP is for married, unmarried, divorced or widowed women of any age. Circumcised and uncircumcised women are equally welcome to use FARREP's services.

FARREP means Family and Reproductive Rights Education Program. It is a free service of The Royal Women's Hospital.

FARREP is for all women from cultures in which female circumcision is sometimes practised. The hospital knows that these women often need special care, support and health information. FARREP workers are all women. They speak one or more of these languages: Somali, Tigrinya, Tigre, Arabic and Amharic.

Shaqaalaha FARREP waxay kaa caawimi karaan inaad hesho daryeelka ugu fiican oo laga helli karo dhakhaatiirta, kalkaaliyayaasha caafimaadka iyo dadka kale ee isbitaalka ka shaqeeya. Masalan, shaqaaluhu wuxuu kaa caawimi karaa inaad kala hadasho dhakhtarka wixii ku saabsan baahidaada waqtiga dhalitaanka iyo marka daaweyntu socoto.

Shaqaalaha FARREP waxay kaa caawimi karaan inaad la xiriirto adeegyada aad rabto ee isbitaalka. Masalan shaqaaluhu wuxuu iskiin bari karaa adeega bulshada ee isbitaalka ama dadka qaabilsan duugida ama daliigida.

FARREP workers can help you to get the best possible care from doctors, nurses and other people in the hospital. For example, a worker could help you to talk with the doctor about your needs during childbirth or a medical procedure.

FARREP workers can help you make contact with the right services in the hospital. For example, a worker could introduce you to a hospital social worker or physiotherapist.

Shaqaalaha FARREP waxay kaa caawimi karaan dhibaato kasta oo isbitaalka kaa qabsata. Masalan, qofka shaqaalaha ahi wuxuu la hadli karaa kalkaalisada caafimaadka iyadoo magacaaga ku hadlaysa hadaadan ku faraxsanayn daryeelka.

Shaqaalaha FARREP waxay isbitaalka ama jaalliyada dhexdeeda ku siin karaan macluumaad caafimaad oo lacag la'aana shakhsiyaad iyo kooxa dumara. Masalan, gabadhaha ka shaqeeya isbitaalka waxay adiga iyo saaxiibadaa kaala hadli karaan caafimaadka dumarka, dhalida, ama nafaqada.

FARREP workers can help you to sort out any problems you have at the hospital. For example, a worker could talk with a nurse on your behalf if you were unhappy with your care.

FARREP workers can provide free health information to individuals and groups of women at the hospital or in the community. For example, a worker could meet with you and your friends to talk about women's health, childbirth or nutrition.
