My List

"My List" allows you to create a list of items from your search results.

- You can view the list, sort the list, or add or remove items.
- This is a temporary list that remains active during the current search session.
- If you have a user account (with a library borrower barcode),:
 - you can save a list of items for future reference.
 - from a saved list, you can move items to another list, rename the list, or delete it.
- Click on "Add to my list" to add an item to your current list.

The screenshot shows the library catalogue interface. At the top right, there are links for 'Logout', 'My List - 6', and 'Help', along with a 'Welcome Jenny Ward' message. The navigation menu includes 'Home', 'Search', 'My Account', and 'News'. Below this, there are search filters: 'Basic', 'Advanced', 'Complex', and 'History'. The search bar contains 'obstetric anaesthesia' and a 'Refine Search' button. Below the search bar, it indicates 'You're searching: Melbourne Health, Northern Health, Western Health, RWH Libraries and VMH Library'. The search results section shows '27 titles matched: obstetric anaesthesia'. A 'Sort by' dropdown is set to 'Publication date' and a 'Limit by' dropdown is set to 'Select...'. The first result is '1. Obstetric anesthesia handbook / Sanjay Datta', with 'Add to my list' and 'Request Item' buttons at the bottom right. Two arrows from the text above point to the 'My List - 6' link and the 'Add to my list' button.
