

Position Description

Position title:	2027 O&G Senior Registrar (Obstetrics and Gynaecology 2 Unit)
Department:	Obstetrics and Gynaecology
Classification:	As per Award
Agreement:	Victorian Public Health Sector (AMA Victoria) – Doctors in Training (Single Enterprise Agreement) 2022-2026
Reporting to:	Chief Medical Officer, Director – Maternity Services, Clinical Director – Gynaecology and Women's Health

About us

Located in Melbourne on the traditional lands of the Wurundjeri people of the Kulin Nation, the Royal Women's Hospital is Australia's first and leading specialist hospital for women and newborns. We offer expertise in maternity services, neonatal care, gynaecology, assisted reproduction, women's health and cancer services. We advocate for women's health in areas that have long been overlooked or stigmatised, including abortion, endometriosis, family violence, female genital mutilation, menopause, women's mental health, sexual assault and substance use in pregnancy.

Our vision, values and declaration

The Women's vision, values and declaration reflect our promise to our patients and consumers, and articulate our culture and commitment to our community and each other.

Our vision is **'Creating healthier futures for women and babies'**. Our values are:

Courage

Passion

Discovery

Respect

The Women's declaration reflects the principles and philosophies fundamental to our hospital, our people and our culture.

- **We are committed to the social model of health**
- **We care for women from all walks of life**
- **We recognise that sex and gender affect health and healthcare**
- **We are a voice for women's health**
- **We seek to achieve health equity**

Our commitment to inclusion

The Women's is committed to creating and maintaining a diverse and inclusive environment which enhances staff and consumer wellbeing, and nurtures a sense of belonging. We strongly encourage anyone identifying as Aboriginal and/or Torres Strait Islander to join us. We offer a range of programs and services to support First Nations employees. We invite people with disability to work with us, and we welcome anyone who identifies as linguistically, culturally and/or gender diverse, people from the LGBTQIA+ community and people of any age.

About the department/unit

The Women's is a centre of excellence for perinatal care, research and education, with more than 7,000 births per year.

The Maternity Service at the Women's is structured to provide quality care to women by the most appropriately qualified clinician. Obstetricians in the multidisciplinary teams provide clinical care with midwives, trainees, other medical specialists and allied health practitioners to women from a geographical area and to higher risk women from outside the local area.

In addition, some women with complex clinical needs may receive clinical care in specialist clinics.

The Royal Women's Hospital has over 23 outpatient specialty services providing patient care. Gynaecology services are provided in two General Gynaecology Units each with a special interest. Gynaecology Unit 2 has a particular interest and expertise in management of Endometriosis and Pelvic Pain. The specialist clinic staffed by over 12 consultant gynaecologists.

Position purpose

Registrars in Obstetrics and Gynaecology are responsible for the provision of excellent clinical care to women who are outpatients or inpatients of the Royal Women's Hospital and their babies and families. The first 6 months of this role will be in Obstetrics, with the second 6 months rotating to the Gynaecology 2 Unit.

Key responsibilities

Senior registrars will provide care:

- In consultation with supervising, Fellows and Consultants as appropriate.
- In accordance with rosters, daily duties and notes to daily duties as published on the Junior Medical Staff rosters website and varied from time to time (except as otherwise directed).
- Taking account of best available evidence regarding quality and safety including RWH Clinical Practice Guidelines.
- With effective communication with other members of the multidisciplinary team providing care.
- Comprehensively including timely record-keeping, discharge preparation and communication with referring practitioners and those providing ongoing care.

Junior Medical Staff are expected to:

- Attend provided teaching and training sessions as rostered and appropriate to their role.
- Comply with the RANZCOG training requirements of accredited training positions.
- Participate in presentations and conduct of teaching and audit sessions suitable to level of training and experience.
- Provide supervision/teaching of more junior registrars and HMOs.
- Provide supervision/teaching of medical students.
- Participate in audit and practice improvement activities.
- Undertake duties as directed consistent with their skills and experience.
- Participate in relevant committees, management and service development activities commensurate with their skills and experience, in consultation with the JMS body.
- Develop collaboration, supervision and leadership skills appropriate to their career path and training level.
